

TEACHING ABOUT DRUGS, ALCOHOL AND TOBACCO

Each student shall receive instruction related to alcohol and drug abuse and smoking and health. The health education program will include instruction in drug and substance abuse prevention. It will encourage and support organizations and activities that will develop a positive peer influence concerning substance abuse and create a climate whereby students may seek and receive counseling about substance abuse and related problems without fear of reprisal.

Each student shall receive instruction concerning the public safety hazards and dangers of alcohol abuse, underage drinking, and drunk driving.
