

SCHOOL LIBRARIES/MEDIA CENTERS

Each school shall maintain an organized library media center as the resource center of the school and provide a unified program of media services and activities for students and teachers before, during and after school. The library media center shall contain hard copy, electronic technological resources, materials, and equipment that are sufficient to meet research, inquiry, and reading requirements of the instructional program and general student interest.

Each school provides a variety of materials, resources and equipment to support the instructional program.
